Choruses	Choruses will be invoiced \$5 per person, based on the number of members you estimated to be on stage when you registered for the Chorus Contest. You may either collect \$5 from every member, or pay for it from your chorus treasury.
	Chorus photos will be taken on stage. There will be 3 flashes. You may stay in the same pose for all 3 or change your pose – very quickly – each time. The photographer will edit and color-correct just ONE pose of his choice.
	You'll receive high-resolution (but not retouched) files of all your poses! You can distribute them to your members and upload them to social media! And members can take a file to a place near them to have it printed, if desired.

	Quartets photos will be taken backstage as usual. You can have up to THREE (3) poses, as long as they're done quickly. However, the photographer will edit and color-correct just ONE pose of his choice.
